## SVC announces Medistri as Top 5 PME in Suisse Romande - Medistri

### **SVC announces Medistri as Top 5 PME in Suisse Romande**

Medistri, a leading provider of sterilization and logistics solutions for the medical and pharmaceutical industries, is proud to announce that it has been recognized as one of the top five small and medium-sized enterprises (SMEs) in Suisse Romande by the prestigious Swiss Venture Club (SVC). This nomination is a testament to Medistri's commitment to innovation, quality, and excellence in service.

The Swiss Venture Club is renowned for its dedication to promoting and supporting entrepreneurship and innovation within Switzerland. Being nominated as one of the top five SMEs in Suisse Romande is a significant honor that highlights Medistri's outstanding contributions to the industry and its unwavering focus on customer satisfaction and operational excellence.

#### **Excellence and Innovation in Sterilization**

Founded in 2006, Medistri has been focused on building infrastructure for the healthcare industry. Companies of every size, from startups & university projects to Fortune 500 companies use our services to save time, scale and focus on what they do best.

"We are incredibly honored to be recognized by the Swiss Venture Club as one of the best SMEs in Suisse Romande," said Shoko Nilforoushan, General Manager & Founder of Medistri. "This nomination is a reflection of the hard work and dedication of our entire team, who strive every day to exceed our clients' expectations and uphold the highest standards of quality and technical expertise."

#### **Looking Ahead**

As Medistri continues to grow and evolve, it remains committed to its core values of innovation, quality, and customer-centricity. The company looks forward to further expanding its capabilities and exploring new opportunities to enhance its service offerings and deliver even greater value to its clients.

The Swiss Venture Club (SVC) is a non-profit organization that promotes entrepreneurship and innovation in Switzerland. By recognizing and supporting outstanding SMEs, SVC aims to foster a dynamic and prosperous business environment.
