SVC Nominates Medistri as One of the Top 5 PME Finalists in Suisse Romande - Medistri

SVC Nominates Medistri as Top 5 PME in Suisse Romande

The Swiss Venture Club is renowned for its dedication to promoting and supporting entrepreneurship, innovation and highlighting successful companies for over 20 years throughout the eight economic regions in Switzerland.

Being nominated as one of the top five SMEs in Suisse Romande is a significant honor that highlights Medistri's outstanding contributions to the industry and its unwavering focus on customer satisfaction and operational excellence.

The success of this award is significantly supported by a select group of renowned sponsors, whose involvement underscores the importance and impact of this recognition in the business world. Among the primary sponsors of the SVC Award are:

UBS
Emil Frey
Swisscom
La Mobilière,
McKinsey & Company.

As a non profit, the governance of SVC is overseen by an independent Board of Directors that promotes entrepreneurship and innovation in Switzerland. SVC hosts networking events, offers mentorship, and presents the SVC Award to feature innovative businesses.

By recognizing and supporting outstanding SMEs, SVC aims to foster a dynamic and prosperous business environment.

Setting New Standards in Sterilization

Medistri, a leading name in sterilization and laboratory services for the medical and pharmaceutical industry is thrilled to be present at the Swiss Venture Club (SVC) Suisse Romande Prize as one of the top five SMEs in Suisse Romande. This esteemed nomination highlights Medistri's dedication to driving innovation, maintaining exceptional quality, and delivering outstanding service.

Since its foundation in 2006, Medistri has been at the forefront of developing vital infrastructure for the healthcare sector. Our solutions are trusted by a diverse range of clients, from emerging startups and academic projects to major Fortune 500 companies, all seeking to streamline their operations and concentrate on their core expertise.

"We are deeply honored to be on the Top 5 PME's in Suisse Romande," stated Shoko Nilforoushan, General Manager and Founder of Medistri. "This accolade reflects the collective effort and commitment of our team, who work tirelessly to surpass client expectations and uphold the highest standards of quality and technical proficiency."

The SVC Award for Suisse Romande will take place on November 12, 2024, at the SwissTech Convention Center in Ecublens. Awarded since 2005, this will be its eleventh presentation in 2024. Guests from the economic, scientific, political, media, and cultural sectors are expected to attend.

 Medistri will be present on November 12, 2024, at the SwissTech Convention Center in Ecublens to the ceremony of the SVC Suisse Romande Prize 2024. For Medistri's presentation, visit www.svc.swiss/fr/medistri-sa.
